Core Value of the Month

Health & Fitness:

Being personally committed
to keeping our minds and
bodies clean and fit.

Scouts will learn that it is
important and easy to eat a
healthy diet and how a
fitness program can be part
of their daily routine.

Reduce ♡ Reuse ♡ Recycle - Fact of the Month

In the United States alone there are 4 million plastic bottles used every hour. And of those 4 million plastic bottles roughly 25 percent of them get recycled. In 2011, over 3 tons were washed up on the shores of the United States. That still doesn't account for the plastic that is still floating out there. Please become a recycler for the good of the environment.

Scouting History – The Uniform

The Boy Scouts of America has always been a uniformed body. Its uniforms help to create a sense of belonging. They symbolize character development, citizenship training, and personal fitness. Wearing a uniform gives youth and adult members a sense of identification and commitment.
